May 10 at our Chapter Gathering at Cheshire Grill we had a large group that attended to hear a presentation by CJ Shroll on Spotwalla and other varieties of trip tracking devices. The presentation was very informative.

Also attending were: Jim Hake, Marcia & Harry Emmert, visiting guests, John Smith, Marilynn & Ezra Bostic.

On ay 23rd, we met at the Citgo Gas Station on Alpine & 7 mile. A group of 16 of us left for a leisurely drive to Clifford Lake Inn where we enjoyed a lunch overlooking the lake.

Riders consisted of Len & Jan Snyder, Bob & Jane Ungrey, Marilynn & Ezra Bostic, Todd Seger & Melanie Beduhn, Jim Hake, Marcia & Harry Emmert, Bob Toedebusch, Howard Stob, Rodney DeJonge & Dar Koza

On May 24th Chapter G members met at IHop at Knapp's Corner for breakfast

Harry and Marcia led us on a cool but sunny ride to Croton/Hardy Dam. We stopped at the rest area and decided to go down the 234 steps. Rodney waited for Howard and I at the top as we took several stops on the way back up. Harry went down 4 flights. Marcia was smart and didn't do any. We treated ourselves to ice cream in Newaygo and then headed home.
