July 2, group members hit the road on a Midnight Ride pre-ride to Gaylord. Marilynn & Ezra Bostic, Howard Stob, Larry Kopenkoskey, Pat Prost and Rodney DeJonge made the ride. Along the way, they checked in with the various police departments and rest area merchants to make sure all is in order for the August Midnight Ride.

July 5 we joined Chapter G members for breakfast at Cheshire Grill. Pete & Sherry Wright joined us for breakfast on that day. Due to physical limitations, Pete is no longer able to ride, but it's always good to see him join in our social gatherings.

On July 11 Chapter G members started on a Scatter Ride and ended up in Newaygo for lunch. We enjoyed burgers and root beer. Rodney DeJonge, Marcia Emmert, Jack & Peggy Kline, Todd Seger, Jim & Linda Hake, Ezra & Marilynn Bostic, Howard Stob, Bob & Scott (grandson) Ungrey are pictured.

After our gathering and meeting on July 12th, the group went to Marilynn and Ezra's house to fold t-shirts for the Midnight Ride.

On July 12th Chapter G members met at Cheshire Grill for our monthly gathering and meeting. Lots of patches and recognitions were handed out this day.

Level 4!

On July 12th after folding t-shirts at Bostic's house we decided a ride was needed to Holland for ice cream at Captain Sundae's!

July 15 a sunset ride to Grand Haven was planned. Marilyn & Ezra Bostic, Steve & Sue Ayres, Howard Stob, Todd Seger & Melanie Beduhn enjoyed the ride.

July 18 we planned to ride to Chapter N's Pig N Park Picnic in Fruitport. The day started out with dark skies and tornado warnings. Instead of riding into the storm, we sat and visited for an hour at Wendy's waiting for the storm to pass.

Chapter G members were presented with the Traveling Plaque. The chapter that comes the farthest and has the most members present is awarded this plaque. We then pass it on at the next gathering of ours that chapter members from other areas attend.
