Breakfast at New Beginnings

Our mystery ride on August 2nd included a picnic lunch stop at Fallasburg Park. It was a beautiful day, lots of sunshine which made for great riding. Riders included Jack & Peggy Kline, Bob & Jane Ungrey, Marilynn & Ezra Bostic, Rodney DeJonge & Dar Koza and Jeff Altena

In early August, Larry Kopenkoskey found himself in a dangerous situation on I-96. At a merging point in the highway, two semis forced him off the road. He was wearing full gear and managed to walk away with a few broken ribs and some bumps and scrapes.

On August 8th a good sized group of Chapter G members rode to Southfield, MI to enjoy Chapter S-2's picnic. Great food, games, dancing and prizes were enjoyed by everyone.
