October 3 found Steve Cooper, Jim Hake, Marilynn & Ezra Bostic out for a color tour ride.

On October 4, we met for breakfast at New Beginnings. It was a cold and rainy day and only a few brave souls rode their bikes that day - Harry & Marcia Emmert, Jim Hake, Rodney

A Harvest Party was held at Rodney & Dar's house on October 10. We had a group of 24 people that came to join in the fun.

Scott Klein was the only one that ventured out on his bike for the party.

On October 11 we met at Denny's for our monthly Gathering. Sam, from the JDRF Foundation, joined us for breakfast along with Jan & Ron Smith from Chapter J.

WE presented Sam with a check for \$8,000 for JDRF from proceeds from the Midnight Ride. JDRF has been a charity our group has promoted for many years and we were happy to be able to help provide funds that will go towards diabetes research.

After breakfast. Todd led Jim, Steve, Marilyn & Ezra, Rodney & Dar on a ride to his house where he picked up Melanie. From there they drove north to view the beautiful colors. The day was brisk, but the riding and views were wonderful!

On October 17 we met on Alpine & 7 Mile Road with Bob Toedebusch being the only rider that day. It was chilly and the threat of rain deterred the rest of us from venturing out on our bikes.

On October 18, we enjoyed breakfast at New Beginnings. The rain was coming down hard so no rode their bikes that day. We certainly did enjoy each other's company though. October 25, Howard Stob led CJ Shroll, Rodney DeJonge, Mike Nosanov, Steve Cooper, Scott Klein and Ezra & Marilyn Bostic on a ride to Dumont Lake by Allegan, then to Holland beach.
