Dear Friends of Chapter "G"

We (Gene Shannon and Gerald Sivits) enjoyed the time together and the scenic tour of your area around the Grand Rapids area and Lake Michigan.

We also enjoyed the ride we took to get to the upper Michigan Area and especially across the Bridge and back on our way back home.

We told you of my (Gerald) muffler coming off at Emporia, KS and taking 2 hours to find a place to repair it and on the way home just 4 miles from where we started.

Dear Jane,

During this season of giving, we are infinitely inspired by your generous Sack Suppers to children in our community. That's 200 times more love come from.

Marquon, a child who receives a Sack Supper, shared with us: "I work harder and help me learn new things. Also they are nutritious." Megan."

Sack Suppers provide brain food (the knowledge) and heart food (the love) (the secret ingredient)... Sack Suppers.

Wishing you a wonderful season.

We praise God for His faithfulness as we continue to serve those that are in need.
